 - Internal Powder Coat Line For The Highest Quality Control
 - Flexible and Efficient
 - Quick Turnaround
 - 6 Standard Colors
 - Custom Colors Available Upon Request
- Engineering
- Race Industry Proven Engineering Staff & Designers

ALUMINUM CABINETS & CARTS FOR TRAILER, TRACK AND SHOP

CTECH MotionLatch™ Drawer & Door Handles

One Hand - One Motion!

The heart and soul of our product line is the MotionLatch™ handle for drawers and doors.

"One Hand - One Motion" is what professionals appreciate when working. Whether it's in the trailer, pit cart or shop, ease of use is CTECH's trademark.

- Easily opens with just one finger!
(Even when wearing gloves or carrying tools)
- Latches when you shut it
- Won't pop open during transport
- Requires no searching for a latch button
- Will unlatch by pulling anywhere along entire handle

Drawer Inserts

Designed to be used within and supported by existing structures.

Drawer Housings

Designed to be stand alone units.
